# International Toll Free Service

## ITFS/UIFN

International Toll-Free Services can help customers expand their business globally while maintaining competitive prices. Calls can be made from over 70 countries, making it possible for customers to maximize cost efficiency with a superior level of service. Any customer who deals in business internationally or requires an international presence would benefit from subscribing to an ITFS or Universal International FreePhone Number (UIFN) service.

# International Toll Free Service

## ITFS/UIFN

International Toll-Free Services can help customers expand their business globally while maintaining competitive prices. Calls can be made from over 70 countries, making it possible for customers to maximize cost efficiency with a superior level of service. Any customer who deals in business internationally or requires an international presence would benefit from subscribing to an ITFS or Universal International FreePhone Number (UIFN) service.
